

Evenley is part of the Neighbourhood Watch Scheme

The Neighbourhood Watch scheme in the United Kingdom is a partnership intended to bring people together to make their communities safer. It involves the Police, Community Safety departments of local authorities, other voluntary organisations and individuals and families who ostensibly want to make their neighbourhoods better places to live. It aims to help people protect themselves and their properties and to reduce the fear of crime by means of improved home security, greater vigilance, accurate reporting of suspicious incidents to the police and by fostering a community spirit.

Evenley Parish Council actively supports the co-ordinator in Evenley, David Connolly. If you would like to register to receive regular crime information relevant to our Parish then please contact David on his email: **david561connolly@btinternet.com**
